# MOTOR VEHICLE INFORMATION FOR NEW RESIDENTS

Information for new residents moving to Pennsylvania can be found at the link below.

[www.dmv.state.pa.us/new\\_residents/motor\\_vehicles.html](http://www.dmv.state.pa.us/new_residents/motor_vehicles.html)

## How To Title and Register Your Out-of-State Vehicle in Pennsylvania

All new residents are required to make application for Pennsylvania title and registration of their vehicle(s) within 20 days of establishing residency in Pennsylvania. Individuals are required to have a valid form of Pennsylvania identification in order to make application to title and register a vehicle in Pennsylvania. Although new residents have 60 days to obtain a Pennsylvania driver's license, there is nothing to prevent them from obtaining their Pennsylvania driver's license sooner.

Pennsylvania title procedures require that the out-of-state title be surrendered to the Bureau of Motor Vehicles when applying for a Pennsylvania title. A Pennsylvania certificate of title will only be issued when the out-of-state title is submitted with the completed Form MV-1, "Application for Certificate of Title." Likewise, a temporary Pennsylvania registration plate may only be issued when the out-of-state title is submitted with the application for Pennsylvania certificate of title. Form MV-1 is not available online. This form must be completed by an authorized agent of the Department. Most notaries, dealers, and messenger services are authorized agents and will be able to complete an application for title and issue you a temporary registration.

## In order to title and register your vehicle(s), you will need to bring the following items with you to the authorized agent:

- A Valid title for all vehicles you want to register in Pennsylvania, issued in your name, from your previous state; and
- Proof of Pennsylvania insurance, such as a valid insurance identification card, declaration page of an insurance policy, a copy of a valid binder or a copy of an application for insurance to the Pennsylvania Assigned Risk Plan for all of the vehicles you will be registering. These documents must indicate both effective and expiration dates.
- A tracing of the vehicle identification number (VIN) or the verification of the VIN by an inspection mechanic or notary public at a dealership or issuing agent.
- Appropriate title, lien, registration fees and sales tax (if applicable). Make checks or money orders payable to the Commonwealth of Pennsylvania. Please do not send cash.
- If you are titling and registering a leased vehicle, the leasing company will also be required to complete Form MV-1L. NOTE: A Power of Attorney may be required from the leasing company.

The Department will only allow agents to issue title and registration documents to customers who provide one of the following credentials for identification purposes:

- *A valid Pennsylvania Photo Driver's License*
- *A valid Pennsylvania Photo Identification Card*
- *A valid Pennsylvania Photo Exempt Driver's License*
- *A valid Pennsylvania Photo Exempt Identification Card*
- *A valid U.S. Armed Forces Common Access Card*

Note: The requirements for Pennsylvania ID do not apply to the seller or sellers of a vehicle. However, this does not exempt the seller or sellers from providing valid government issued photo identification for identification purposes when completing motor vehicle documents as the seller of a vehicle.

**New Standards for Titling Model Year 2008 and Newer Vehicles...** If you are titling and registering a 2008 or newer vehicle with a gross vehicle weight rating (GVWR) of 8,500 pounds or less, and it has less than 7,500 miles on the odometer, your vehicle must be certified by the California Air Resources Board (CARB). For more information about this program, visit the Pennsylvania Clean Vehicles Program page.

# MOTOR VEHICLE INFORMATION FOR NEW RESIDENTS

## Sales Tax

If you hold a valid title issued in another state and have owned the vehicle 6 months or more before moving to Pennsylvania, you will not be required to pay any sales tax when you register your vehicle in Pennsylvania. Applicants exempt from Pennsylvania sales tax will list the appropriate Sales Tax Exemption reason code in Section I, block 1A and/or 1B on Form MV-1.

If you hold a valid title issued in another state, and have owned the vehicle for less than 6 months before moving to PA, you will need to provide proof of sales tax paid to the previous titling jurisdiction, or remit PA sales tax. Applicants entitled to a tax credit will list the appropriate tax credit amount in "Less Tax Credit" block on Form MV-1.

## Fees

For a complete listing of fees related to Driver and Vehicle Services, visit the fees page at: <http://www.dmv.pa.gov/Information-Centers/Payment/Pages/Payments-and-Fees-Page.aspx>

## Vehicle Safety Inspection

A vehicle newly registered in Pennsylvania must be safety inspected within ten (10) days of the registration date. Inspections are performed at official inspection stations (usually a repair garage or a service station with a repair shop). Equipment checks include: lights, brakes, horn, tires, safety belts, exhaust system, mirrors, tag mounting, suspension, turn signals, steering, glazing, wipers, and other major parts of your vehicle. Inspection fees are posted at official inspection stations. These fees do not include repairs to correct vehicle defects.

## Emission Inspection Maintenance

Pennsylvania is one of many states required by the Federal Environmental Protection Agency to have a vehicle emissions inspection & maintenance (I/M) program. The I/M program is a key of the Commonwealth's strategy to improve its air quality. Visit the Drive Clean PA website <http://www.drivecleanpa.state.pa.us/> or call the customer hotline at 1-800-265-0921 to find out if the county your vehicle is registered in is required to participate in the emissions inspection program.

## **DRIVER'S LICENSE/PHOTO ID/LEARNER'S PERMIT INFO FOR NEW RESIDENTS**

### How to Apply for a Non-Commercial Driver's License in Pennsylvania

**All new residents with out-of-state non-commercial driver's licenses must obtain a Pennsylvania Driver's License within 60 days of establishing Pennsylvania residency.** To apply, you must appear in person at one of our Driver License Centers. You will be required to surrender your out-of-state driver's license (valid or expired six months or less) before PennDOT can issue you a PA Driver's License. You will need to take a vision-screening test and complete Form DL-180R "Application for Pennsylvania Non-Commercial Driver's License By Out-of-State Non-CDL Driver". In addition, you will need to show proof of identification and residency and your Social Security card.

A previous resident returning to Pennsylvania must meet all the same identification and residency requirements as a customer who has never been a PA resident.

All documents must show the same name and date of birth, or an association between the information on the documents. Additional documentation may be required if a connection between documents cannot be established (e.g. Marriage Certificate, Court Order of name change, Divorce Decree, etc.)

# MOTOR VEHICLE INFORMATION FOR NEW RESIDENTS

Out-of-State learner's permits cannot be transferred to Pennsylvania. In addition, if your out-of-state driver's license has been expired for more than six months, it cannot be transferred for a Pennsylvania Driver's License. You must apply for a Pennsylvania Learner's Permit and complete all applicable knowledge and skills tests in order to obtain a Pennsylvania Driver's License.

## Temporary Driver's License/Photo ID Card

To mitigate the risk of fraud, including identify theft, PennDOT issues temporary driver's licenses and photo identification cards, which are valid for 15 days, to individuals who have never had a Pennsylvania driver's license or photo ID, i.e., new drivers, new photo ID card holders and new residents. During that 15-day period, PennDOT utilizes state-of-the-art facial recognition technology, FaceEXPLORER, to validate the individual's photograph does not match another photograph in their database under a different name(s). The temporary DL/Photo ID card looks the same as the current DL/photo ID card, except the blue and yellow banners are gray, the word "temporary" is printed in red across the front and the expiry date is outlined in red. The product can be used by any business to validate name, age, address, etc., just as a permanent DL/Photo ID card.

## Real ID's

By **May 7, 2025**, Pennsylvanians will need a REAL ID-compliant driver's license, photo ID card, or another form of federally-acceptable identification (such as a valid passport or military ID) to board a domestic commercial flight or enter a federal building or military installation that requires ID. REAL IDs are now available to Pennsylvanians who want them. For more information on what is required, click here: <https://www.dmv.pa.gov/REALID/Pages/REAL-ID-Document-Check.aspx>

## Voter Registration and Organ Donor

When you visit a Photo License Center to have your photo license processed, you will be given the opportunity to make an application to register to vote and the option to be listed as an organ donor.

If you say "yes" to organ donation, the words "ORGAN DONOR" will appear on your PA Driver's License and/or ID card.

If you make an application to register to vote, you will be asked to answer a series of questions. You will be given a receipt as proof of your application for voter registration. The registration office of the county of your residence will send you an official voter identification card. If you do not receive your card within two weeks, you should contact your county voter registration office. Phone numbers for each county are located at the Pennsylvania Department of State website <http://www.dos.pa.gov/Pages/default.aspx>

**PennDOT operates a state-of-the-art call center** where customer inquiries concerning driver and vehicle services may be directed. PennDOT does not publish individual Driver License Center phone numbers.
